PURSUANT TO 11 USC §363(h)

10. The Real Property has a market value of approximately \$145,000.00 and is owned by the Debtor and the Defendant as husband and wife.

- (1) partition in kind of such property among the estate and such co-owners is impracticable;
 - (2) sale of the estate's undivided interest in such property would realize significantly less for the estate than sale of such property free of the interests of such co-owners;
 - (3) the benefit to the estate of a sale of such property free of the interests of co-owners outweighs the detriment, if any, to such co-owners; and,
 - (4) such property is not used in the production, transmission, or distribution, for sale, of electric energy or of natural or synthetic gas for heat, light, or power.
